Greetings of the day!

As a next step, you are requested to appear for the Online SVAR assessment.

**This E-mail contains confidential information and hence please DO NOT Forward this E-Mail!**

**YOUR ASSESSMENT IS SCHEDULED ON 2025 February, 23, 10:00 AM IST**

There are three sections in this email. Please read the instructions mentioned in each of them carefully.

### 1. System requirements:

Before you start with the SVAR assessment, please ensure that your Computer/Laptop system is meeting all the below mentioned requirements to take the assessment without any interruption.

- Assessment to be taken on Personal Computer/ Laptop connected with a web camera, which must remain ON throughout the assessment session. Do not use mobile phone to take the assessment.
- Smooth and uninterrupted internet connectivity is required.
- Online Assessment is supported by the below listed OS versions only:  
OS specs:
  - Windows: 11, 10\*, and 8.  
\* Includes x86 32 and 64bit processors and ARM 64bit processors using x86 emulation.  
\* Ubuntu, Windows 10S is not a compatible operating system, nor can LockDown Browser be obtained via the Windows App Store. At present, support for Windows 10 S Mode isn't on the roadmap for LockDown Browser.
  - Mac: macOS 10.12 to 10.15
  - Not supported on Linux<
- Candidate device Memory specs:
  - Windows: 2GB RAM
  - Mac: 2 GB RAM
- Candidate device Hard Disk Space specs:
  - Windows: 200 MB of free hard disk space
  - Mac: 200 MB of free hard disk space
- No proxy settings are available inside the browser
- Please re-install/ update the lockdown browser (if it was installed previously in your system) before initiating the assessment.
- Not supported on mobile
- For all users, please ensure that you disable all the popups/ notifications and close all running application.

- In case of power failure/ internet disconnection, the test can be resumed by re-logging in.
- You may take the test as per your convenience at your location at the pre-allocated date and time slot.
- If your assessment gets stuck at any point, there is a 'Resume Incomplete Test' option that will enable you to restart the assessment at the same place where you got stuck. For more details on this, please read the instructions given below. Please ensure that you Resume Assessment within 2 hours of your assessment being stopped.
- There is a limitation on attempts for resuming if test gets stopped in between due to some system/Power issue.
- Make sure that the system date and time is updated correctly.
- Please disable any VPNs (if enabled).

## 2. **SVAR Assessment Instructions:**

- Check internet connectivity before starting the assessment.
- Ensure the mic and headphones are connected properly.
- Each question is timed. Candidate cannot go to previous question at any point in the assessment.
- All questions must be answered within the time allotted for each question.

The assessment consists of **7 sections**:

- A. **Short questions:** Listen to the given information and answer the question in full sentence based on the context of the question. 3 such questions will be asked.
- B. **Conversation:** You will hear a description of a situation. Following the description, you will hear a conversation dialogue. Please listen to the dialogue and provide appropriate response. .
- C. **Read and Speak:** A sentence will be displayed on the screen which you have to read out loud. You will be given 12 seconds to read the sentence. Once you have read the sentence, you can click on the submit button and move to the next sentence. There are 12 questions in this section.
- D. **Listen and Speak:** A sentence will be played which you have to repeat as is. You will be given 12 seconds to repeat the sentence. Once you have spoken the sentence, you can click on the submit button and move to the next sentence. There are 9 questions in this section.
- E. **Fill in the blanks:** 3 grammar & 5 vocabulary related 'fill in the blanks' questions, to be answered in a complete sentence
- F. **Correct the sentence:** 3 grammar related 'correct the sentence' type questions, to be answered in a complete sentence
- G. **Free Speech:** A topic is given on which you must speak for a duration of 45 seconds. You will be given 30 seconds to prepare for the topic before speaking.
